

General: Can I listen to some of the music before purchasing?

Yes, certainly. There are many examples from every choral work we offer site for you to listen to and evaluate.

The samples are provided on the page describing each work.

- To listen to a track, click the play symbol before the track name
- On clicking the play symbol will change to a pause symbol and playing the track will commence
- To stop playing the track, click the pause symbol
- To start playing a different track, click a play symbol before another track. If a track is playing it will stop and the new track will start playing

To download the sample tracks. It varies from browser but most have similar procedures.

- right-click the track name text (next to the play symbol)
- From the menus choose "save target as" or equivalent text
- Save to a location of your choosing on your computer

A download management program such as [Free Download Manager](#) can be of great assistance for downloading.
