

Copying our music to your choir: Why does Note Perfect provide a licence to copy?

Whilst the cost of a single CD or DOWNLOAD is reasonably priced, we know that if a whole choir has a copy each it could be an unbearable and probably unjustifiable cost. It is for this reason that we allow the original purchaser to duplicate the CD or Download to members of their choir. Of course, we have to draw the line at some stage, so we do not allow people to whom our music has been duplicated to duplicate further. We consider that this licence is generous and fair, giving scope for a whole choir to have a solution for learning notes from the purchase of a single set of CDs or Downloads at a reasonable cost.

If you do not have the means for providing duplicates, we can do this at a discount for quantity. Our site has details of some discounts but if you have a combination quantity that you want please feel free to contact us, we will be glad to help.
