

# Copying our music to your choir: Can Note Perfect change the terms of the licence?

Yes we can. However any changes will apply to CDs/Downloads sold from the time of the change. Whatever it says on your licence will always apply, you will not need to check the web site for changes. It will always be honoured.

You may request a new copy of the licence if yours is lost, however, new copies will contain the current wording. Copies will be provided to the purchaser by email.
